Short Description

Shade cloth, 50 metre roll x 1.8m wide. Offers 50% block out. Extra heavy duty for construction and building applications.

Description

Shade cloth is commonly used on building sites, civil, construction and roadworks projects, as well as on temporary fencing and scaffolding. It offers privacy and reduces dust and debris from exiting the building site. Shadecloth is heavy duty and available in a range of colours to match your brand or corporate colours. With blue, black, green, red, white and beige, you can choose the colour that suits your project. Our

shadecloth is extra heavy duty and 50% blockout creating a well-shaded work area.
