

Stillage for Storing Crowd Control Barriers

Product Images

Short Description

Keep your crowd control barriers neat and tidy when not in use.

ADDITIONAL FREIGHT CHARGES MAY APPLY - You may be contacted about freight cost for heavy, bulky or awkward items.

Description

Crowd control barrier stillage made from sturdy steel with a galvanized finish. Internal dimensions: 960mm x 960mm. Height is 1180mm. Stillages can be stacked for efficient storage. Forklift stillage enables easy and safe transportation and storage of crowd control barriers. Stable 4-post design enables easy stacking of crowd control barricades. Designed for rapid deployment, this stillage will hold your barrier panels to enable fast set up on site.
