Product Images

Short Description

Our premium printed banner mesh enables you to promote your project, brand or product professionally on the perimeter fencing of your location, thereby generating public awareness and delivering an outstanding first impression of your brand to clients.

Description

Printed fence fabric or scrim is the ideal solution for high profile brand exposure. These panels are supplied as individual panels that suit most standard temporary fence panels. Custom printed banners improve the image of your building site, and act as an eye-catching marketing tool to promote your brand. Jaybro provides solutions for both small and large businesses, with the ability to print as little as 5 individual mesh panels, up to kilometres of mesh on a roll for large sites.
