

Short Description

SiteX Premium Black Spot Marking Paint

Description

SiteX spot marking paint is supplied in a large 500ml can and is exceptionally high quality. The can is designed to be used in an inverted position for easy ground marking. Features a trigger style cap making it easy to fit many of the spray wands in the market. Rapid drying time and designed for use on a wide range of surfaces including asphalt, concrete, wood and more. Strong bright colours make it the product of choice for surveyors, contractors and service finders throughout Australia, New Zealand and the Pacific Islands.

We are so confident that our marking paints are the best on the market that we offer a 100% replacement guarantee. Every day we are dispatching orders ranging from single boxes to pallets loads around NZ and beyond, so try it for yourself!
