Description

TREE FELLING - 1200 x 600 mm Level 1 temporary traffic management sign. For use in New Zealand during road works and road side maintenance. Made from aluminium with a fluorescent diamond grade reflective finish. Recommended for alerting motorists of temporary changes to road and traffic conditions.

TW series signage (Temporary warning) improves safety by warning motorists of potential hazards. Commonly used on civil & construction projects by traffic controllers throughout New Zealand.

Jaybro manufactures and supplies TW series signage in Level 1 and Level 2 sizing. We hold large quantities of stock on hand and can fill urgent orders. Jaybro can provide same day service to fill urgent orders to your site to meet requirements.

TW-2.5B NZ Temporary Road Signage - Jaybro recommends that you refer to the TCD Rule & MoTSaM and/or purchase the current Code of Practice to provide guidelines. You can also visit the NZTA website online at www.nzta.govt.nz/resource
