

# Detour Ends Supplementary Sign (TW-23)

## Product Images

---

## Short Description

---

Detour end sign for use within a temporary sign stand system for traffic control during road work and maintenance. Measuring 900 x 450 mm, displaying bold black text on a reflective orange background.

## Description

---

This sign needs to be erected where clearly visible to approaching drivers whilst not presenting an obstruction to traffic. Jaybro supply a wide range of traffic control and management solutions including signage, traffic cones, barriers and delineation.
