

Danger Sign - Flammable Liquid 225 x 300mm Metal

Product Images

Short Description

Danger flammable liquids 225 x 300 mm

Description

Danger keep out - metal safety sign 225 mm x 300 mm.

0.6mm steel with 7 year weather resistant coating. Standard with rounded corners and mounting holes.

Danger signs provide a warning of hazard or a hazardous condition that could cause harm or be life-threatening. "danger" is emphasised inside a red oval inside a black rectangle and complies with Australian standards. Manufactured from 0.6mm steel with a 7-year weather resistant coating, rounded corners and pre-drilled mounting holes

Jaybro's onsite manufacturing capabilities allow us to custom make any sign you require. contact us on 1300 885 364 now to discuss your needs and options.

we ship Australia and New Zealand wide.
