

Replacement Hard Hat Sweat Band - 20 Pack

Product Images

Short Description

Hard hat replacement sweatband, 20 pack. This replaceable sweatband for your safety helmet ensures worker comfort during long days and hot or uncomfortable working environments. Made from terry towelling, they are easy to fit to your hard hat or head protection.

Description

Hard hat replacement sweat bands to suit hard hats, and safety caps. These sweat bands should be regularly replaced for hygiene, freshness and user comfort. Keep your sweat band fresh by regularly replacing it with a fresh sweatband. Fits most hard hats. Made from thick, absorbent soft terry towelling material for comfort and absorbency.
