

Replacement High Impact Face Shield Visor - Clear

Product Images

Short Description

Clear replacement visor for face shield or chainsaw head protection kit, [compatible with the 31-VHLDR visor holder](#) available from Jaybro.

Description

Use with a face shield hard hat attachment to convert a regular hard hat into a hard hat and face shield combination. When this polycarbonate face shield or visor is used with the addition of safety glasses, it provides superior high impact protection against grinding or chemical processes at work.

Features:

- Clear replacement visor for face shield or chainsaw head protection kit
- AS/NZS Extra High Impact 2mm Polycarbonate
- Anti-scratch & Anti-fog
- Complies with AS/NZS 1337.1:2010
