

Extreme Safety Glasses - Smoke

Product Images

Short Description

Extreme wraparound safety glasses feature a smoke lens. These safety spectacles are manufactured to meet Australian and New Zealand Standards AS/NZS1337 and are approved as a medium impact safety spectacle.

Description

Jaybro's range of Extreme Safety Glasses provide superior user comfort. With a sense of style, the Extreme medium impact eyewear helps reduce eye injuries and mishaps whilst on the job.

Offering protection against dust, debris and flying materials, the Extreme features a stylish one-piece design

which includes a soft rubber nosepiece. These ergonomic safety glasses are very comfortable making them ideal for all day wear.

The wrap around lens ensures greater protection and soft temple arms reduce pressure behind the ears. Approved to Australian Standards AS/NZS1337 for Medium Impact safety glasses. The Extreme safety specs provide lightweight and economical protection.

Supplied with a smoke lens, they are also available with [clear](#) or [copper lenses](#).
