# Extreme Safety Glasses - Copper

## Product Images

---

## Short Description

---

AS/NZS1337 Approved Medium Impact safety glasses provide lightweight and economical protection.

## Description

---

Provides superior comfort, fit and protection. The Extreme range of safety eyewear features a stylish design, one piece wraparound style lens and soft temple arms to reduce pressure behind the ears. A soft nose piece and lightweight construction make the Extreme safety glasses ideal for all day wear. Supplied with a copper lens, also available with a [clear](#) or [smoke lens](#).
