

Premium Vented Hard Hat - Green

Product Images

Short Description

Premium vented hard hat in green

Description

Premium hard hat with 6 point pushlock harness and vents for added comfort. This hard hat is lightweight in design with moulded air vents and a cotton sweatband, helping to prevent perspiration and humidity build-up in hot environments. The premium vented hard hat has an extended peak for added protection and an additional edge gutter to catch and deflect rain. With a six point push lock harness, it is easy to adjust for wearer comfort.

Approved to Australian Standards, this hard hat is an essential item for any building area, construction site, workplace, factory, roadwork or civil application.

Premium vented hard hats are available in a range of colours: Blue, Fluoro Yellow, Green, Orange, Dark Red, White, Yellow.

Features:

- Lightweight, durable ABS shell
- 6 air vents for increased air circulation & comfort
- 6 point pushlock harness
- Sweatband prevents perspiration build-up
- Extended peak for added protection
- Edge gutter to deflect rain
- Colours: Blue, Fluoro Yellow, Green, Orange, Dark Red, White, Yellow
