

# Leviathan Lumber Crayons D2 No. 3 Red

## Product Images

## Short Description

---

Red lumber crayon for marking timber, concrete, and other hard to write on surfaces. Size number 3, supplied as a box of 12.

## Description

---

Lumber crayons are ideal for marking cartons, bitumen, concrete, masonry, timber, tyres and other hard to write on surfaces. Economical and simple, these Leviathan lumber crayons are the industry preferred brand.

Unlike paints or ink based markers, these crayons won't leak, spill or smudge. Available in a box of 12, these timber crayons are durable and water resistant making them ideal for heavy duty construction use.

**Features:**

- Industry preferred brand
- Used to mark timber, bitumen and concrete
- Widely used in building, civil engineering and construction industries
- Economical
- Easy to carry
- Won't leak, spill or smudge
- 12 crayons per box
