Description

Ensure your dangerous goods are stored in a safe and compliant manner. This Standards Approved 160L dangerous goods cabinet is constructed from sturdy steel. With two strong shelves it can fit all your hazardous or flammable chemicals, keeping them contained and out of harms way.

At 1230mm high this cabinet is ideal for the storage of cans and containers of solvents, thinners, petrol, kerosene, etc. Bright powdercoated yellow finish makes it instantly recognisable in the workshop or factory.

Features:

- 2 adjustable shelves
- 150 mm sump in the bottom
- Measures 1230mm H x 1100mm W x 465mm D
- Weighs 115kg
