

Portaboom Led Boom Lights

Product Images

Short Description

Replacement/spare parts - LED Boom Lights for a PORTABOOM®.

Description

Used as an accessory to the **PORTABOOM remote controlled mobile boom gate**, these LED lights enhance the visibility of the PORTABOOM® unit and attract motorists attention. PORTABOOM® LED Boom Lights are ideal for night work applications or low visibility daytime workzones.

- LED Lights flash in sync with the existing flashing lights on the PORTABOOM® unit.
- Easily fitted to the PORTABOOM® arm
- Waterproof
- Draws minimal power from the PORTABOOM® unit
- Simply remove the existing rubber and replace with the LED strip
