

Corporate Multi-Sign - Site Safety 900 x 600 mm Poly

Product Images

Short Description

Corporate multi sign measuring 900mm wide x 600mm high, made from UV resistant polypropylene. Ideal for display on temporary fencing around building sites and at entrances to any construction site.

Description

Work site safety sign measures 900mm wide x 600mm high. Features bold SITE SAFETY white lettering on green background and includes standard messages:

- All visitors must report to site office

- Authorised personnel only
- Safety helmets must be worn
- All personnel must be site inducted
- Hi-visibility clothing must be worn
- Safety footwear must be worn
- Plus a space to write in your 24 hour site contact details

All Jaybro's signs can be customised to your needs; please get in touch if you would like a custom site safety sign made for your project or job site.

This sign is printed on 1.6 mm flexible weather resistant polypropylene which is highly recommended for outdoor use. It is UV stable and resists fading and cracking for up to 5 years. Poly is fully recyclable and made from 70% recycled material with rounded corners and mounting holes. Five year outdoor guarantee.
