

ADDITIONAL FREIGHT CHARGES MAY APPLY

You may be contacted about freight cost for heavy, bulky or awkward items. Below are some products and instances when extra freight charges may apply.

- Plastic water-filled and concrete barriers, due to the size and weight of the units
- When purchasing items in a bulk quantity that goes above standard delivery requirements
- For items with a steel or concrete construction, due to size and weights of the units
- Perimeter and crowd control fencing and fencing packages
- For items that are not considered a two-man lift
- For deliveries outside of our metro delivery radius
